Please vote with a check mark (✓) to elect up to five (5) candidates

2027-2028 Term Candidates and their backgrounds:

 Brenda Hannah Moss – A one horse-drawn carriage through Huntington Estate at Christmas had a lasting effect on this family. “I knew we’d live here someday.” And now we do. My husband and I are soooo happy here. This is our 2nd year. I have owned and operated Private Quarters Hair salon for 39 years along with 8 years as a Real Estate professional with Keller Williams / Town and Country presently. In my spare time, I love gardening and tending to my yard. My husband, Rev. Dr. Tan C Moss, and I are in Ministry with the AME Church where he serves as Presiding Elder overseeing 33 churches in North West Fl area. We have 5 adult children and 6 wonderful grandchildren. It would be an honor to serve my neighbors in Huntington Estates.

 William “Bill” Lowman – I have been a resident of Huntington Estates since August of 2013. I have served on the HEHA board before and we were able to get some good things done. My reason for volunteering now is to pay back a little of what I have benefitted from the current board members. I know first-hand the hard work and genuine concern that it takes to accomplish all that has been done in the last few years. I am retired nine years now and I would like to contribute to what I see is continuous positive change in the neighborhood.

 Devin Lohman – I am a local realtor, real-estate investor, new father and homeowner in the neighborhood. My wife and I spend most of our days helping people buy, sell and take care of their homes. I care about keeping our neighborhood a great place to live and protecting the value of the homes here. I would be happy to bring my common sense, homeowner’s perspective and real-estate experience to the board.

 Dawn Haggerty – I have been serving as the HEHA President for the last two years, and also have been an HOA Board Member in Naperville, Illinois and Clermont Florida. I am originally from Chicago, and graduated from the University of Wisconsin. My husband and I moved to Florida 20 years ago, and into this neighborhood in 2023. I was a realtor with Weichert Realtors for many years and now I am realtor with Anchor Realty in Tallahassee. We moved to Huntington Estates to be closer to grandchildren and our youngest of our four daughters Katie, who owns the Quarter Moon Imports Gift Shop by Lake Ella. I look forward to contributing to the care and development of this neighborhood.

 Carlos Amado – I have served as the HEHA Secretary and Maintenance Committee Chair for the last six years. I supervised the road repaving and tennis court resurfacing projects. I have a Master of Engineering degree and a B.S. in Industrial & Systems Engineering from the University of Florida. I served in the U.S. Army Florida National Guard for 20 years - 11 as an officer. My wife, Patty, and I moved into our forever home in Huntington Estates in 2019. I look forward to continuing to serve making this community a wonderful place to live.
