

2023-2024 HEHA Board of Director Candidates Ballot and Background Information

Vote (underline or circle) “Yes” or “No” for up to four (4) candidates

Yes / No Carlos Amado – I served as the HEHA Secretary and Maintenance Committee Chair for the last 2 years. Helped update the Covenants and Restrictions, and the By-Laws of HEHA. I have a B.S. and M.S. degree in Industrial and Systems Engineering from the University of Florida. I served for 20 years in the U.S. Army Florida National. My wife, Patty, and I moved to our forever home in Huntington Estates in 2019. I love helping make this community a wonderful place to live.

Yes / No Lois Davis – I served as a member of HEHA Board of Directors and was Chair of the Recreation Committee. My husband, David, and I moved to our forever home in Huntington Estates in 1983, where we raised our 10 children. We are currently blessed with 14 grandchildren. David previously served in the Board of Directors. We look forward in continuing to make this community a great place to live and raise a family.

Yes / No Julie “Sam” Marshall – My name is Julie Marshall, but everyone who knows me calls me "Sam", a nickname bestowed on me by my father. My family moved into Huntington Estates in July 1996, shortly after my youngest child was born. We had always driven by this neighborhood and had fallen in love with the large lots and live oak trees. All three of my kids grew up here and made friends that they still keep in touch with. I work at the Northwest Regional Data Center where I provide advanced trouble-shooting support on server systems. I served on the HEHA Board a few years ago, and I must say that the progress that has been made by the Board members of late is amazing. The "community" feeling that we felt when we first moved in seems to be back in full force, and I look forward to be part of the direction that we are heading.

Yes / No Clay Whittaker – I served as the HEHA Vice-President for the past 4 years. I have trained the past two HEHA Treasurers to use QuickBooks, and programmed the HEHA webpage. I am an IT manager for the Florida Department of Transportation, and have a B.S. in Information Technology from Santa Fe College. My wife, Shannon, and I moved to our forever home in Huntington Estates in 2018. I look forward to continuing to serve the association in the coming years.

Yes / No Write-in Candidate: _____

NOTE: Only one voting ballot per lot will be counted. Thank you for your prompt vote response.
